SELECTMEN'S MEETING

The Board of Health and District Nurse Margare Sylvester met with the Finance Committee and Board of Selectmen to request $1,200. to fund a second full time nurse. Mrs. Sylvester explained that new state welfare regulations mandating home calls to 9 PM daily and 24-hour back-up for the nurse plus emergency calls are too heavy a workload. The Finance Committee noted that state mandates have increased the cost of nursing care to frightening levels and they said they could not consider a transfer of more funds. Finance Chairman Robert F. Urion inquired about the Personnel Board's attitude and was informed that that Board had no objection to the request for the additional nurse being made to the town meeting. The Finance Committee agreed that any addition should be put to the vote of the town.

SEWER PROJECT PREPARATION

Mr. Philip Sheridan, of Tighe and Bond, and Finance Committee members discussed with the Board of Selectmen the requests in money to be asked in connection with the sewer system at the April 11 Special Town Meeting. The town will be asked to ratify the agreement with Fairhaven in Article 1; Article 2 will seek a sum of $500,000. to cover the local cost

in a bond issue over 20 years. Article 3 seeks $4,300. for expenses in connection with issuring the bonds. Article 4 asks $3,000 for easement expenses to clear title and appraise land over which the connector sewer pipe to Fairhaven will run.

APPOINTED

Selectmen appointed James B. Russell to the Industrial Committee.

FINANCE VACANCY

The Board of Selectmen asks residents interested in serving on the Finance Committee to submit their names to the Selectmen's office at Town Hall. Joseph A. Travis resigned recently leaving a vacancy on the committee.

MOORING FEE SET

Selectmen discussed harbor matters with Harbor Master Karl Collyer. He asked for permission to paint Harbor Master on the rescue boat and to paint out "rescue boat" because the boat is not equipped for the service. The Board of Selectmen agreed that this was a logical thing to do. It was voted to set a fee of $3.00 for boats to tie up to the town buoy and an additional $2.00 fee for each boat tied to the moored boat for groups. The Selectmen said that Collyer should have receipts made so that visitors can be given this acknowledgment of

JURORS DRAWN

Two jurors were drawn to serve in the session starting May 2 of the Civil session of Brockton Superior Court. The names of Ronald B. Rebello of Saunders Avenue and James H. Hinman of 3 Oakland Street were drawn.

SHELLFISH AREA CLOSED

Acting upon the recommendation of the Shellfish Warden the Board of Selectmen has closed an area in Hiller's Cove from Euclid Street to Joe's Point from the taking of all shellfish. The taking of quahogs is prohibited from the oyster bed at the head of the harbor - both closings as of April 1st.

AUTO COMPLAINT

Mr. and Mrs. Michael Ellis conferred with the Board of Selectmen. They complained that the adjacent Mobil station is selling used cars without a license. The Board will have the Building Inspector investigate.

RESIGNED FROM FIRE DEPARTMENT

Selectmen received a letter of resignation from the Fire Department from Loren Mosher. He gave reasons of health.

PTC Spring Fair

The Mattapoisett P.T.C. has kicked off its Spring Fair preparations with a "name the fair" contest for students of Center and Old Hammondtown Schools. The winner of the contest will be named King or Queen of the Fair and will preside over the day's festivities. Entries must be submitted to the teachers by Thursday, April 7th.

This year's Fair promises to provide something for everyone with white elephant tables, new and used children's clothing, arts and crafts, plants, home cooked cakes and goodies, games, prizes and all the fun and excitement of a Spring Fair. The success of the Fair rests, of course, with the participation of parents and all members of the community in the planning and preparation of the Fair. It is a marvelous opportunity to become involved with your children in a venture that will profit the entire student body. Please contact Kathy Lynch at 758-2777 or 758-6292 or Mary Lou Hoyt at 758-9351 if you are interested in helping. Also, when you clean out your attic or garage, please don't throw anything away. The white elephant table may help that "junk" find a new home.

O.R.R. News

EXAMINATIONS AT ORRHS

Examinations concluding the third semester will be conducted during the week commencing on April 3. We expect that report cards will be issued on Tuesday, April 26.

We urge every parent of a high school student who does not see a report card on this date to call the school office and ask for Mrs. Mort.

We ask your help in checking the correctness of our records by carefully examining not only the grades, but also the record of attendance.

ORRJHS REPORT CARDS

Mr. Robert C. Gardner, Principal of the Old Rochester Regional Junior High School, announces that the third quarter of the school year will end on the 15th of April and parents should expect 7th and 8th grade report cards around the 29th of April.

Youth Hockey

NEWS: Rochester Youth Hockey is sponsoring a 'TEEN DANCE' April 20th from 7:30 to 11 P.M. at St. Anthony's Church Hall. Check the posters or contact any hockey player. Tickets will also be available at the High School, Junior High and Old Colony Voke.

On behalf of Conrad 'Slim' Bernier, Director of RYHA, many thanks should be given to the parents for the many hours they have donated and to the skaters for the fun they have had. The coaches have put in many uncounted hours, won the 'Father and Sons Games' and will be back next year.

The final game of the season for Rochester Youth Hockey saw Dartmouth shut out the Bearcats in the Midget Division 5 to 0.

See all of you next year - same time - same space. Dan Lee

Spring Concert Series

U. MASS CONCERT

The annual concert of the University of Massachusetts Chorale, directed by Dr. Richard DuBois, will be held in the Sanctuary of the Fairhaven Unitarian Church on Saturday evening, April 16th, at seven-thirty. This year there will be sixty-two singers participating and a Brass Sextette that will play with the Chorale and also perform separately. Dr. Du Bois has chosen for his program choral numbers from the works of Bach, Brahms, Schutz and Flor Peeters. Choruses from the Requiem by Berlioz will be a special feature of the concert.

The public is cordially invited. There is no admission charge. A freewill offering will be received. Following the program, a reception will be held in the Parish House to which all are invited.

The visiting students are staying overnight, and will be the house guests of members of the Unitarian, Congregational and Methodist

MACHACAM CLUB

The April 6th meeting of the Machacam Club has been postponed until April 13th. The speaker will be Judge Elwood S. McKenney,

C'mon over to our bank.
We're very easy to reach and a whole lot easier to talk to than you might think.

When it comes to money management, we don't play favorites. Whether you're a 'big guy' or a 'little guy', we're ready to listen to your money problems. And help if we can. That's because we feel all of our clients are important.

Whether we're lending them money, or investing if for them, they know our blue-chip reputation for sound money management. Next time you need money for that business venture, old or new, or want to put your extra dollars to work profitably, give our banking professionals a try. We're at 75 Huttleston Avenue and very easy to get to.

"Circus" is Coming!

With both steam engines and diesels pulling the strings of circus railroad cars, the "Kings Cavalcade of Shows" will be pulling into Mattapoisett for a three-day stand. This is not the conventional circus coming to town but a circus world in miniature. The Lions Club of Mattapoisett and the Carl Hage back Ring of the Circus Model Builders International are jointly sponsoring a large model exhibit with one of the feature attractions bei the "Kings Cavalcade of Shows".

For the last 17 years Mr. H. Kingman Burrills of West Bridgewater has been building

of the District Court of Roxbury, a resident of North Street.

railroad equipment for the circus was faithfully reproduced in 1/4 inch scale by Mr. Burrills from photos of the Ringling Bros. and Barnum & Bailey circus.

The circus lot diorama is but a small part of Mr. Burrills' twelve foot by forty-five foot model railroad display. With 31 years of railroading interests as a background, for his hobby he has accumulated a large quantity of engines and rolling stock, most of which will be on display in Mattapoisett. Kingman Burrill is justly proud of his collection, and his special love of the "MKT" (Missouri-Kansas-Texas) line of which he has built many fine pieces including engines and cabooses.

This unique display and many others, including model trucks, historical and military figure collections, miniature circuses and memoriabilia, wood carvers, and circus films will be open to the public April 22 from 7 to 10 P.M., April 23 from 10 A.M. to 10 P.M. and April 24 from noon to 6 P.M. at the Old Hammondtown School on Shaw Street (just off Route 6) in Mattapoisett. So, if you're a model train buff, a modeler or just want to relive the good old days of the American circus, this will be the take-in of the area and it's for the entire family.

Easter Egg Hunt

The annual Easter Egg Hunt sponsored by the Mattapoisett Lions Club will be held on April 10 at O.R.R.H.S. grounds.

The hunt will start promptly at 2 o'clock P.M.

Youngsters are asked to bring paper bags for gathering eggs.

Prizes will be awarded for specially marked eggs at the conclusion of the hunt.

Plans for Mayfest

May 21st has been set as the date for the 7th Annual St. Anthony's Mayfest. The affair will be held in St. Anthony's Church Hall from 9 to 1 P.M. Tickets will be limited to 125 couples. You may call Clay King at 758-6401, Russ Bessett at 758-3602 or Jean DeCoffe at 758-2425 for ticket reservations.

Plan early so you won't miss out on this fun event.

Mattapoisett Sewer Project

LETTER TO THE EDITOR OF THE PRESTO PRESS

The recent public hearing about the proposed Mattapoisett sewer system, to be considered at a Special Town Meeting on April 11, once again showed that the proponents do not understand, or do not care, why previous proposals were voted down. The Town has been very clear in demanding a minimum sewer.

The present proposal is clearly not a minimum system, designed only to shut down the present sewer outflow into the harbor. What is presently proposed as our new sewer was discussed as being a "Phase One", and I was shocked to hear proposals supported by some Town Officials for immediate further expansion.

Discussions over the past twenty years have indicated that our sewer problem could be handled on a house-to-house basis if it were not for Mattapoisett Center School. The proposed system, and discussion of immediate doubling in size, would make one wonder if it would be cheaper to abandon the school and plug the pipe.

A minimum sewer would handle our public buildings and the center of town, and would not cross North Street on either Church or Water Street. A minimum sewer would not be suitable for immediate expansion.

The proposed method of financing is a fascinating combination of mostly politics and some finance. The "betterment" charges attempt to make people not on the sewer less resistant to paying for the system. The Board of Health has announced that everyone on the system will be forced to connect up whether they need to, or want to. If you have a perfectly good cesspool you are expected to abandon it, pay hookup charges of $200. to $1,000., pay $600. to the Town for some vague "betterment", pay the expanded general tax, and then pay some $50. per year to get rid of water you bought from the Town for about $25.

Such people become hostages of the town in that they must pay some $2,000. to $3,000. for no apparent benefit. Neither Fairhaven nor Marion placed such a burden on their homeowners.

Further expansion means to me that we intend to place sewers near swampland of present dubious value and turn it into valuable resi-

dential property. Only the present owner of the swamp can benefit from that one.

The expandable plan is so frightening that alternatives again come to mind. One under discussion in Mattapoisett recently is the Clivas Multrum, billed as the toilet that doesn't need flushing. Other alternatives must be available.

Full consideration of the present proposal would make it seem non-responsive to the needs of the Town both in overall expandable concept, and in financial detail.

I feel that we should once again vote the expensive mess down and perhaps someone will listen to our wishes next time. It might even be possible to get my reluctant vote if I could be assured that we will not consider one more foot of pipe for the immediate future.

Charles B. Dunn

TO THE EDITOR OF THE PRESTO PRESS

The Board of Selectmen welcomes the many pertinent questions which have been raised concerning the proposed Sewer System for the Town of Mattapoisett. We would like to comment briefly on the major questions, as follows:

1) Is there any viable alternative other than a system based on a tie-in with the Town

of Fairhaven for treatment?

None that we know of. Mattapoisett has studied the proposition of sewage and sewage treatment for more than 20 years. ALL recent engineering reports submitted to the Town have concluded that an in-town collection system, with a force-main to Fairhaven for subsequent treatment, is the only sound, cost-effective solution to the problem. This conclusion was last presented to the Town at a Special Town Meeting on June 30, 1975. At that time, the engineers' findings were accepted, and the Selectmen were authorized to negotiate an agreement for treatment with Fairhaven, to retain an engineer to develop final plans, and to apply for any available State and Federal funds. We have carried out the Town's instructions, and the results have been presented in the press and at a public hearing.

2) Is the proposed in-town collection system the minimum system we can have?

Yes, if we are to pursue our goal of eliminating the discharge of raw sewage into Mattapoisett Harbor with any degree of consistency. There are a number of sources of this pollution in addition to the existing "North Street" sewer - storm drains, brooks, etc. The plan we have presented represents an attempt to eliminate as many of these sources of pollution as possible. It makes little sense to eliminate one source of pollution and ignore others.

3) What about expansion?

Any well-designed system allows for some degree of future expansion - ours is no exception. Future expansion will only come, of course, if it is the wish of the Town.

4) Is the local cost of this proposed system properly shared between those who will be served and those who will not?

This is an admittedly difficult question. Opinion ranges from one extreme (100% by general taxation) to the other (100% by those directly served), with all sorts of percentage allocations in between the two extremes. In the supplement to the Special Town Meeting Warrant (Presto Press, March 23rd issue) the Selectmen presented what we believe to be a fair, reasonable method of cost allocation, recognizing that - on this particular issue - it is absolutely impossible to please everyone.

We look forward to answering these and other

Now - Finally!

MATTAPOISETT AID - Editorial, D.C.J.

Many have deep and justifiable concern about dictatorial edicts from the state and federal level that threaten the financial stability of us all. Programs such as the modular ambulance and the cost of manning it, special needs for the school system, collective bargaining for public employees are just a sample of the recent burdens inflicted upon the local taxpayer. The orders come from above - we pay all the tab whatever the cost. The average taxpayer has worked since January until now and will work one more month until May just to pay taxes - then finally he or she can begin to work to pay for food, clothing, heat, mortgage, medical bills, transportation, electricity and the needs of the family to live.

We are now under federal order and deadline to stop the discharge of raw sewage into our harbor. But, this time, there is a difference. The federal dictate is accompanied by federal and state help - grant aid to take the major financial impact of the corrective sewage system. We have paid and paid all our lives for aid to India, aid to Europe, aid to Asia, aid to Africa, billions and billions of our collective U. S. taxes have flowed out to all the world. Now <u>finally</u> we have the prospect of aid to Mattapoisett.

We need it.

Our sewage problem has been under exhaustive study for more than a decade. Thousands of man hours have been expended to explore <u>all</u> of the possible solutions before the town authorized the drawing of the present system to correct the area which is the source of the trouble. Our harbor is our most precious asset. Our summer population who come here to enjoy our waterfront are our only industry. We need the sewage system for ourselves. We need it because the federal government orders us to correct a situation for which there is only one solution now at hand. Every month of delay adds to the cost as inflation continues. To suggest, at this late hour, that we can reject years of study and a system on the drawing board is simply not realistic.

Most of us will agree that we need Center School, Mattapoisett Town Hall, Mattapoisett Library, both churches, and the majority of homes in the village and we can't replace them all for $500,000.00 - the town's estimated share of the sewer system.

We need the federal and state aid. We need the system it will help us build.

Donald C. Jason

Scilla Circus

SPRING SCILLIBRATION

The Children's Museum is holding it third annual Spring Scillibration, appropriately renamed the Scilla Circus, on Saturday, April 16th, from 10:00 A.M. to 4:00 P.M. at the Museum Outdoors, 100 Old Westport Road, North Dartmouth. This circus will be complete with clown, balloons, cotton candy and popcorn.

Going on throughout the day will be Arts and Crafts demonstrations, folk singers, nature slides, solar energy, snakes, magician, wild animals. There will also be a demonstration of Obedience Class by the Wampanog Kennel Club at 2 P.M. Children are urged to enter

The Museum Gift Shop will be open selling their own homemade maple syrup, wildlife stationery, magnifying glasses and many other items of interest to all ages.

Mattapoisett Senior Citizens

The Seniors Club held their last meeting on March 28th with a good attendance. The various committees gave their reports and a Maybasket Party is on the agenda for the first meeting in May. All members are reminded to contribute an item or items.

Our next meeting will be held on April 11th at 2 P.M. at the Legion Hall on Depot Street. At that time we will discuss final details for the Maybasket.

Tobey Guild News

"ENCORE" FASHION BENEFIT

Tobey Hospital Guild was in step with spring when a delightful showing of spring and summer ensembles, evening apparel and sportswear was featured at a hospital fund-raising luncheon.

The successful afternoon affair held at the Daniel Webster Inn in Sandwich, which attracted a capacity gathering, was the reward for having plodded, plowed, puffed and skidded through a more than typical New England winter.

Mrs. F. Winston Bendall, fashion commentator for Malchman's of Falmouth, presented a "spring scene" with Tobey Hospital Guild members modeling completely feminine attire in a palette of colors and unusual textures. Models included: Mrs. Kathryn Phillips, Mrs. Priscilla Lacey, Mrs. Elizabeth Studley, Linda Patt, Mrs. Audrey May, Miss Catherine Morrison, Miss Mary McDevitt, Mrs. Jeanne Mac Neil and Mrs. Nancy Douglas. During the fashion hour Wally Durant provided the musical background.

NATURE WALK

At 10 A.M. on Saturday, April 9th, the Museum Outdoors staff will lead a spring flower walk to examine the wild and not-so-wild flowers blossoming at the Museum on 1,00 Old Westport Road in North Dartmouth. This time of year the museum property is alive with color provided by the many naturalized flowers. The walk is free for adults and children accompanied by an adult.

CHILDREN'S PROGRAM

At 2 P.M. on Saturday, April 9th, at the Children's Museum on Russells Mills Road in Dartmouth Jeff Dallaire will show children how to make paper art stencils and how to use the stencils to produce interesting designs. Supplies are limited for this craft program and registration is required. Please register by telephone (636-4688) during the week immediately prior to the program. The program is offered free to member children and a small fee is charged non-member-children.

Little League Basketball

On Saturday, the 26th, at 12 noon in the final game of the knockout tournament it was Gold vs. Black in a close game all the way. Congratulations to the Blacks who won the knockout tournament 20-18. Scoring 14 of the Black's 20 points was Chris Riley. The roster for the Blacks includes: Chris Riley, John Coucci, Steve Guard, Drew Frazee, Joey Rocha, Sean McCabe, Frank Linhares, Kurt Kroninger, Don Linhares and Hoyt Hottel.

At 1:00 was the League Championship playoff with the first round winner, Orange vs. the second round winner, Purple, in a best out of 3 elimination. The Orange won the first game played the night before and went on to win this one 18-16 to become the league champions. On the Orange roster are Scott Purtell, Tim Quinlan, Mark Riley, Pete Andrews, Mark Kroninger, Steve Tinkham, Billy Clark, Matt Murphy and David Roth who, because of a broken arm, missed part of the season.

An All-Star team has been practicing under the direction of Mr. Paul Levine and Dr. William Quinlan. The team will have played their first game April 2 in the New Bedford Recreation Tournament. On the All-Star roster are Scott Purtell, Paul Levine, Chris Lomba, Phil Barber, Mark Kroninger, Gerald Lanagan, Chris Riley, Henry Ouimet, Gary LeBlanc and Steve Lopes.

Girls' Softball

COACHES FOR GIRLS' SOFTBALL

The Mattapoisett Sports and Athletic Committee is looking for softball coaches for girls in grades 4-6. We estimate that there will be 4 teams playing 9 games each during June and July. The teams should also practice at least once a week. The Center School would be the area used. Anyone who would like to help please call Sheila Mitchell at 758-4340.

STANDINGS MATHEMATICS CONFERENCE

The standings of the Southeastern Mathematics Conference consisting of 15 teams are: 1. Bishop Connolly (563); 2. Somerset (558); 3. Dighton-Rehobeth (555); 4. Dartmouth (533); 5, Attleboro (491); 6. Falmouth (474); 7. Old Rochester Regional (459); 8. Norton (445); 9. Taunton (441); 10. Fairhaven (438); 11. Bishop Feehan (429); 12. Case (361); 13. Bourne (307); 14. New Bedford (290); 15. Bishop Gerrard (250).

At the last math meet, Old Rochester Regional moved from 10th to 7th, qualifying

for the playoffs. The top eight teams are participating in the playoffs to be held at Dighton-Rehobeth on Tuesday, May 10th.

The playoffs are on a "Winner-Take-All" basis and the team earning the best score in this meet will win first place and a trophy for the season.

GIRLS' BASKETBALL

Girls' basketball which met on Tuesdays and Fridays at Center School and the Congregational Church has come to the end of its season. The girls met during January, February and March. Over 100 girls were involved and once again it was a lot of fun. The Sports and Athletic Committee would like to thank everyone who helped make these programs successful.

JAMES K. STEWART

CANDIDATE FOR

Rochester Board of Health

IN SEEKING THE OFFICE, I HAVE THE FOLLOWING OBJECTIVES IN MIND:

1. To be certain that the installation of water and septic systems is done in the best possible manner, based on sound engineering principles.
2. To ensure that the rapid growth taking place in Rochester does not overburden the capacity of the natural purification system, with resulting contamination of domestic water supplies.

Degree in Chemical Engineering, Clarkson College of Technology - recipient of research grant from National Science Foundation. Employed by Acushnet Co., Rubber Division as Process Engineering Manager.

James K. Stewart, Quaker Lane, Rochester

Rochester Walk-a-thon

Springtime is Walk-A-Thon time at Rochester Memorial School. The children will soon be knocking on your door, asking for neighbors to sponsor them in this year's third annual Walk-A-Thon, to be held on April 30th (1-5 P.M.). The children will be puffing and panting on that Saturday trying to go one more mile! But it's mostly fun, with prizes to look forward to - this year including McDonald's gift certificates, pocket calculators, and a grand prize of a Polaroid camera. All of the prizes are donated by local businesses.

The children walk a two-mile block around the school as many times as they can, under the supervision of the local police department and many parents who come to help. Kindergarten children must be accompanied by a responsible adult. The funds raised from the Walk-A-Thon each year are used to provide enrichment opportunities for the school. Last year's Walk-A-Thon provided a new piano for the music department, glass showcases for the children's projects in the foyer, and partially funded the Christmas assembly (a mime theater group). The event is sponsored by the Parent and Teacher Organization.

A THANK YOU

The Talty family would like to extend their sincere gratitude to all the people of Mattapoisett and the surrounding area who have provided comfort and assistance in so many ways during this very difficult period.

We would also like to show our appreciation to the Mattapoisett Fire and Police Departments for their outstanding efforts in extinguishing the fire and protecting our belongings.

We are so very proud to be a part of such a loving community.

Bernie & Lee Talty

Rochester Seniors

A meeting of the Senior Citizens Club will be held on Tuesday, April 12th, in St. Rose of Lima Hall at 1 P.M. Prizes for games would be appreciated.

The bus to Gloucester on Monday, May 23, will leave from the Rochester Town Hall parking lot at 9:30 A.M. The trip will include lunch at Captain Courageous Restaurant, a visit to the Gloucester Museum and a tour of the Gloucester Harbor on the Dixie Belle. Reservations are closed for this trip.

On Wednesday, June 15th, there will be a trip to the South Shore Music Circus in Cohasset featuring Myron Floren and Stars of the

VOTERS OF ROCHESTER

I BELIEVE IN EFFICIENT AND RESPONSIVE GOVERNMENT

Rochester needs close attention to operations and costs. I have the necessary skills and training to apply to the job of selectman. I also have the background in town operations to understand how our local government works.

If you believe that our town is worth keeping a pleasant place to live, and you are concerned about the cost of operating our town, then please elect me your selectman. I intend to work very hard for you to achieve these goals.

We believe in

Applications must be made before the planning of where and when the pictures are to be taken and the cards issued. If more information is needed, please call Mrs. Jacques at the Rochester Town Hall.

Spring Fling

A "Spring Fling" will be held April 29th at the Pine Hill Pavilion, Acushnet, sponsored by the Old Colony Boosters' Club. Dancing is from 8 to 12 to the music of Dick Aranjo & The Travelers. A sandwich buffet will be served and door prizes awarded. "Be a Cougar Booster!"

PLYMOUTH COUNTRY REPUBLICAN MEETING

Gordon Nelson, the GOP state chairman, spoke at the Plymouth County Republican meeting in Halifax recently concerning the plan aimed at increasing the ranks of the GOP.

"The Republican party in Massachusetts is the party of less spending, less taxes, less government," says Mr. Nelson. With that statement as a basis for rebuilding the GOP in Massachusetts, Nelson will begin organization at the precinct level.

"Project Precinct" will try to recruit "at least one person on every town and ward committee who is willing to work hard" with the object of putting information on every household in Massachusetts "on two file cards, one for the state committee and one for the local committee".

"The nuts and bolts approach has been successful for both parties in the past," he said. "But the leadership of our party in recent years seems to have forgotten all about it."

Nelson said the Republican party "is in disastrous shape at the grass roots level - at most levels".

"We won't accomplish miracles overnight," he said. "My job is to stop the decline -

a question so often asked, "What is the Grange?" Just keep your date May 22nd at the Grange Hall; you will hear a speaker from the State Grange who will give you any Grange information you wish.

This has been a hard winter and it has hurt the Grange attendance very much, so we start out with a meeting for all people interested in holding on to a great organization. Plans for a day of a pleasant togetherness is underway.

CHRISTIAN AWARENESS SERIES

The Christian Awareness Series, sponsored by St. Rita's Catholic Church of Marion, will host its third program on Tuesday, April 12th, at 8:00 P.M. at St. Gabriel's Episcopal Church Parish Center.

Guest lecturer will be Rev. Edmund Fitzgerald, Director of Pastoral Care at St. Anne's Hospital, Fall River. The topic of Fr. Fitzgerald's talk will be "Death, Dying, Life".

Appointed to St. Anne's in 1974, Father will describe in detail his Pastoral Care ministry and how it relates to the sick in general, those who are facing the imminent call of the Father, and in particular the preparation of the families of loved ones who are about to experience New Life.

Admission to this series is free and the general public is welcome.

fulli, will give a concert on Thursday, April 7, at 8 P.M. in the SMU Auditorium. Tickets may be purchased from any band member or at the door. The ticket price is also admission to a champagne reception that will follow the concert in the new dining hall complex.

The SMU Stage Band was established to give qualified students and faculty members the opportunity to rehearse and perform at SMU and the nearby community. The Stage Band has developed an extensive repertoire ranging from the 1930's swing era to the contemporary jazz-rock style. Arrangements are written specifically for the band and are designed to regularly feature the band members in solo performance.

For further information, please contact Gene Crisafulli, telephone 997-9321, extension 281.
